

Veterans can register for free dental care

State Journal-Register

By Staff Report

October 29, 2017

Illinois veterans have a few days left to register to receive free dental care next month.

The Illinois Dentists Salute Veterans initiative offers no-cost services for veterans registered by 8 p.m. Wednesday.

Veterans can register at illinoisdentistssalute.org for free dental services (with valid military I.D.), including cleanings, restorations and extractions. Appointments are available in hundreds of dental offices across the state on Friday, Nov. 10 and Saturday, Nov. 11.

The initiative is organized by the Illinois State Dental Society, with support from the Chicago Dental Society and member dentists across Illinois.
