The Chicago Dental Society Foundation announces its 2017 Community Service Grants partnership with the Wrigley Company Foundation. This program encourages community minded Chicago Dental Society member dentists and second- and third-year dental students to identify, volunteer and partner with local community health fairs, organizations and healthcare facilities in vulnerable and underserved communities to provide dental programs that increase oral health literacy (dental education programs) and that provide dental services (increase access to care) in the Chicagoland area.

The 2017 program provides Community Service Grants totaling more than $50,000. Grants are limited to a maximum of $5,000 per project.

The total grants will be allocated based on the following:

- 55% grants – Chicago Community groups
- 15% grants – Cook (other than Chicago City proper) County Community groups
- 15% grants – DuPage County Community groups
- 15% grants – Lake County Community groups
