Letter from the Chair of the Foundation Board of Trustees

Dear Donor,

Philanthropy touches the lives of real people every day. Representing the philanthropic branch of the Chicago Dental Society puts the CDSF in a unique position to improve the lives of individuals who struggle to maintain or improve their oral health. I am proud to report that in 2015, through the support of our donors and volunteers, the Foundation provided over $2 million in oral health care for the underserved, an amazing return on investment!

Many thanks are due to the Chicago Dental Society and the greater dental community for their continued support of the CDSF mission. In particular, the Foundation received critically needed assistance when storm damage unexpectedly closed our doors this past June. Dental industry and dental professionals joined hands with the CDSF Clinic Board of Managers to put the clinic back online. In spite of just a few months of office time lost to this unexpected disruption, patient care resumed and 2015 goals for patients treated and completed were close to projected estimates. It was inspiring to see so many rise to take this crisis in stride. What an impressive example of volunteer commitment and dedication!

The figures presented in the 2015 Annual Report are profound as they represent valued time, talent and operational support: evidence that the issue of oral health clearly resonates with those who recognize the need. As I complete my term as Foundation Chair, I cannot help but refrain, “What a difference a day makes....” The song may be old fashioned, but it is personally appropriate. On an ongoing basis, your support will help the Foundation continue to make a difference in the lives of the communities we serve. Stay tuned to the CDSF as it makes its mark improving oral health in Chicagoland.

Respectfully Submitted,

The Chicago Dental Society Foundation awards grants to organizations whose programs address access to dental care in Chicagoland. In 2015, over 22,600 low income, disadvantaged, and uninsured children, adults and elderly patients received oral health care from our partner organizations throughout our communities. Lawndale Christian Health Center — $5,000
Northwest Community Hospital Oral Health Program — $5,000
Norwegian American Hospital Foundation — $2,500

An additional $10,000 was awarded to the Illinois State Dental Society Foundation’s Mission of Mercy event. This event delivers more than $1MM in free dental care to 2,000 patients.

CDS Foundation Vision Award

Congratulations to Dr. Yihsiung Huang, recipient of the 2015 CDS Foundation Vision Award in recognition of his dedication to philanthropy and generous support of access to care programs for underserved communities. A long-time clinic volunteer, Dr. Huang practices the dental profession with integrity, honesty and a commitment to providing care to underserved families and communities. The Foundation is proud to recognize Dr. Huang for his dedication to oral health.

2015 Programs
Since the clinic opened in February 2013, CDS Foundation volunteers have provided free basic dental care to over 1,200 individuals who had no other access to this much-needed care. This figure represents over $1.3MM* in donated professional dental services.

In 2015, despite an unanticipated three-month closure to repair storm-related water damage, the clinic saw 272 individuals during 1,070 patient visits. The value of these services at $467,058 represents the second-highest year of donated care to date. The unwavering support of the Chicago Dental Society along with our dedicated volunteers ensure that the clinic operates five days each week on an ongoing basis.
