

New badges, new procedures at Midwinter Meeting

by Joseph DeRosier

Ticketing for courses has changed and beginning with the 2019 Midwinter Meeting individual course tickets will no longer be issued.

Instead, participants will receive a name badge, and a separate ticket for each day of the meeting with a summary of courses for which they are registered.

The daily course summary ticket will be used to enter course classrooms, as well as

act as the medium that will track continuing education credits. Each daily course summary ticket, as well as the name badge, will contain a QR code, a small square in the upper left-hand side of the ticket. That QR code must be scanned when entering a classroom for registered courses.

Exhibit Hall opens at 9 a.m.

(continues on page 5)

Exhibit Hall is a must-see at Midwinter Meeting

One of the highlights of the Chicago Dental Society's 2019 Midwinter Meeting will be the chance to try out the latest in dental technology and products by visiting some of the more than 600 exhibitors on the Exhibit Hall.

The Exhibit Hall opens each of the three days of the meeting at 9 a.m. and is open

until 5:30 p.m. on Thursday and Friday, Feb. 21 and 22, and until 4 p.m. on Saturday, Feb. 23.

Your meeting badge is your ticket to the Midwinter Meeting Exhibit Hall and is free for all attendees. There are always new and exciting things to see at the Exhibit Hall. Welcome to the 154th Midwinter Meeting

The Chicago Dental Society members, Board of Directors, staff and myself are glad you are here.

We are excited to have you in Chicago, the most beautiful city in the world.

We hope with our theme this year, *A Midwinter Mardi Gras, Celebrating Innovation, Camaraderie and Diversity*, you will find something wonderful and exciting that will continue to bring you, your staff and your family back for years to come.

This year's General Chair, Sharon Lyn-Malinowski, and Program Chair Sue Zelazo-Smith, along with Scientific Director, Ted Borris, have selected a diverse group of speakers and topics that will meet any practice's needs for the best in continuing education.

With more than 140 speakers, hands-on courses and live demonstrations, there is a continuing education experience for everyone in the dental profession.

We also look forward to you visiting the Exhibit Hall. Here you will find innovation at its best. The Midwinter Meeting is known as the meeting for the launching of new products and much more. I urge you to make time to explore the Exhibit Hall, and please support the companies who are critical to the continuation of the Midwinter Meeting.

While you are enjoying the exhibits, don't forget to stop by one of two kiosks in the hall and scan your badge to receive one hour of CE for visiting the exhibits during the meeting. And be sure to pick up your CDS commemorative bag while visiting the exhibits.

Remember we have souvenir Mardi Gras beads for you; you may collect your beads at any Midwinter Meeting information booth.

There are also many special events to add to your Midwinter Meeting experience.

Cheryl Watson-Lowry, DDS
President, Chicago Dental Society 2019

The special events offer you the opportunity to wind down and enjoy camaraderie.

My husband, Bill, and I hope you enjoy your *A Midwinter Mardi Gras* and your visit to Chicago. ■

Badges from page 1

Free courses for which the participant has not registered are still open on an availability basis and the QR code on the name badge will be scanned for entrance. Participants who leave or re-enter the classroom before the course ends need to have the QR code scanned. Remember, the only way to get credit for attending

the CE course is to have your daily course summary or badge scanned upon entering the classroom.

Participants will also get an individual ticket for any special event for which they are registered. That ticket will be used for entry to the event. ■

Exhibit Hall from page 1

Hall. This year there are more than 100 exhibitors are participating in the meeting for the first time.

CDS will continue to offer one CE credit hour when you visit the Exhibit Hall during the meeting. Scanning the QR code on your name badge at designated locations in the Exhibit Hall will activate the continuing education credit.

Members can also take advantage of a Midwinter Meeting Rebate of up to \$100 (depending on the month you registered) when ordering from one of the vendors in the Exhibit Hall. The rebate value of your registration is reflected on your badge and only available for member dentists who registered in November (\$100 value), December (\$35 value) or January (\$25 value). Rebates are only redeemable at the meeting during exhibit hours.

CDS is also offering another sweet deal

in the form of special treats. Each afternoon, look for the distribution of a special praline treat that has been delivered directly from New Orleans, a sure way to make a trip to the Exhibit Hall that will be reminiscent of the Mardi Gras spirit.

Remember, when visiting the Exhibit Hall, located on Level 3, Hall F, you must wear your name badge at all times. Minors not accompanied by a parent or guardians are not allowed into the Exhibit Hall. Wheeled luggage and baby strollers are not allowed in course rooms or the Exhibit Hall. Strollers can be checked at any coat check located within the West Building.

And navigating the 170,000 square feet of exhibit space will be a breeze using a new 3-D adaptive map in our new Midwinter Meeting Mobile App. It allows you to plot your route. The user can also access the Virtual Tradeshow Bag. ■

Don't forget the CE certificates

CE certificates will be available through the CDS Midwinter Meeting Mobile App or at www.cds.org after the meeting. A few CE Certification Stations are located in the General Registration area. You will need your course numbers and your eight-digit convention number found on your registration badge. Make sure to keep your badge to have proper registration and sequence information for this purpose. CE certificates for the 2019 Midwinter meeting will be issued free until May 31, after which a \$25 charge will be applied. ■

Get the all new Midwinter Meeting Mobile App

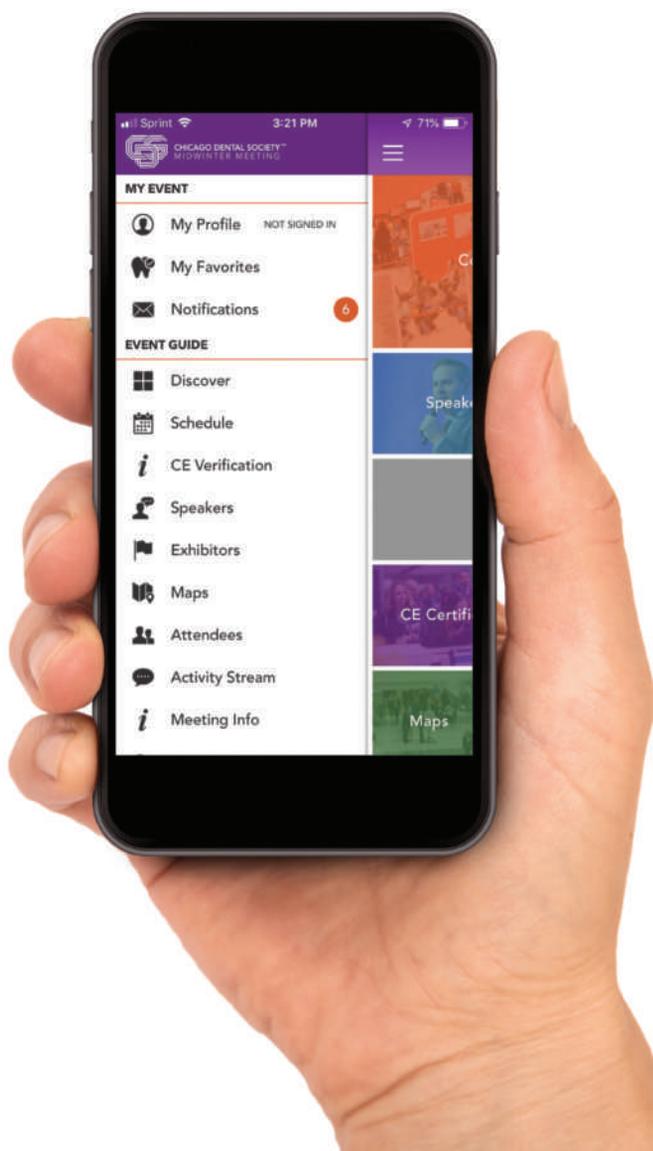

The CDS Midwinter Meeting Mobile App is new for the 2019 event with added and exciting new features that will make attending the meeting, visiting the Exhibit Hall, connecting with friends and obtaining CE credits easy and enjoyable.

Because the app is all new, with more robust features that will allow for an even better mobile experience, users need to download a new version, and not just update the old app.

The new app is compatible with Android and iOS smartphones and tablets running operating systems iOS 10 and above, or Android 5 and higher. Windows devices are not supported. The app is available through the Apple App Store or on Google Play.

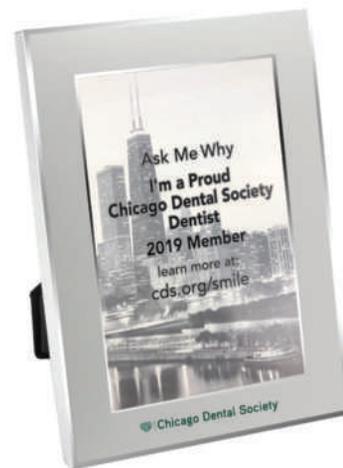

The app also allows participants to view PDF handouts from speakers, and take notes that you can email directly to yourself.

By signing into the app with your current badge number, you've also signed into CE verification as well. This streamlines the process to easily obtain your CE credits all within the app.

One of the new features in the app includes the ability to stay connected with fellow Midwinter Meeting participants through an Activity Stream, which allows attendees to engage in dialogue and share information and photos. You can also connect to all your favorite social media channels from within the app and view all your favorites in one place.

So if you haven't done so yet, make sure to download our all new app. ■

Member Frame

Visit the CDS Member Frame Booth for your FREE frame

Pick up your FREE "Proud CDS Member" frame and certificate here at the meeting in the General Registration Area at the Member Frame Booth on Level 3 across from the Membership Desk. Just have your badge scanned showing you are a 2019 CDS member to receive your frame.

These conversation starters were one of several PR projects positioned to help promote you and your expertise as a CDS dentist. While at the booth, find out more about the CDS Protect & Play program, a pilot public education program designed to promote athletic mouthguard use, especially among active youth and increase awareness of CDS dentistry among family healthcare decision makers. You may even see the CDS mascot, Hadley the Hound while you're there!

Thank you for being a CDS member, and we hope you enjoy the Midwinter Meeting.

The mayor welcomes you to Chicago's Midwinter Meeting

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

February 21, 2019

Dear Friends:

As Mayor, and on behalf of the City of Chicago, I am pleased to extend warm greetings to all those gathered for the Chicago Dental Society's 154th Midwinter Meeting.

Since its founding in 1864, the Chicago Dental Society (CDS) has been an invaluable resource for Chicago-area dentists. As the largest local component of the American Dental Association, the CDS has a membership of over 8,000 dentists and works to improve the health of the public, promote the art and science of dentistry, and represent the interest of its members. Members of the Chicago Dental Society are given the tools, resources, and networking opportunities needed to ensure best practices and healthy smiles across Chicago.

This year's meeting, themed A Midwinter Mardi Gras: Celebrating Innovation, Camaraderie & Diversity, celebrates the hard work of the Chicago Dental Society's members, volunteers, and staff. The meeting brings more than 30,000 dentists, hygienists, assistants, lab operators, suppliers, and academics from around the world together to network, learn, and inspire. With more than 200 courses, hands-on workshops, lectures, over 600 exhibits, live patient demonstrations, product launches, and networking events, industry professionals will have the opportunity to learn new and exciting techniques and treatments, and gain the tools needed to continue to move dentistry forward. I commend the Chicago Dental Society for their commitment to continuing education and working to make dentistry better for patients.

It is my hope that after learning about and discussing what's new and changing in dentistry, you will take time to explore and take advantage of everything Chicago has to offer. An exciting variety of restaurants, nightlife, universities, and world-class museums accented by our iconic skyline, incredible lakefront, and historic neighborhoods make Chicago one of the world's greatest cities.

I hope you have an enjoyable and informative meeting and submit my best wishes for much continued success.

Sincerely,

Mayor

We thank our sponsors
