WHAT NEW DENTISTS...AND EXPERIENCED DENTISTS
WANT TO KNOW –LEADERSHIP AND PEARLS

Bill Simon, DMD.

Tuesday, March 13; 6 pm Cocktails, 7 pm Dinner, 8 pm Seminar
Maggiano's, Old Orchard Mall, Skokie, IL.

Described by some as “dramatic”, Dr. Bill Simon’s 30 year dental career has included its share of challenging situations. Starting as an associate in a run-down Medicaid practice, Dr. Simon grew to become the sole owner of 2 highly successful practices. His experience includes 6 build outs, 9 locations, 4 space-sharing arrangements, 1 practice acquisition and over 25 associates. He experienced a lost lease, an embezzlement scheme, robbery at gun point, and a major fire after which the team worked out of 3 offices before settling into an abandoned dental office while he rebuilt. *The fourth month after the fire*, Dr. Simon’s practice had the best production month in practice history.

These experiences, coupled with Dr. Simon’s passion to help dentists succeed, have inspired him to share experiences and impart lessons in leadership, communication and practice management principles.
