- Crowns (Zirconia / eMax / PFM / Gold)
- Complete / Partial Dentures
- Endodontic Therapy

Team Clinic — Private Practice Elective, IUSD

Aug 2026 – May 2027

- Selected for a competitive private practice simulation elective staffed with a dedicated dental hygienist and chairside assistant, mirroring the full team-based environment of a real-world GP office
- Gained hands-on experience managing daily patient flow, case presentation, treatment coordination, scheduling, and production expectations alongside clinical support staff

CBDE Rotation — Community-Based Dental Education, Crawfordsville, IN

March 2027

- Selected to complete an off-site rotation at an external clinic in Elkhart, IN, delivering comprehensive general dental care to underserved and diverse patient populations in an independent setting
- Practice full-scope GP dentistry — diagnosis, treatment planning, restorative care, and extractions, building clinical independence and real-world confidence

Areas of Clinical Interest:

- Implantology — observed and assisted in implant placement, bone grafting, and soft-tissue management through dedicated periodontics and oral surgery shadowing
- Prosthodontics & Restorative Dentistry — built a strong foundation in fixed and removable prosthodontics through dental school clinical training and two semesters as a Prosthodontics Teaching Assistant
- Oral Surgery — gained hands-on exposure through IUSD oral surgery department shadowing and clinical training in simple and surgical extractions

LEADERSHIP & PROFESSIONAL INVOLVEMENT

Fixed Prosthodontics Teaching Assistant — IUSD

Aug 2026 – May 2027

- Provide guidance to D2 students on crown and bridge preparations in simulation lab; graded practical examinations and gave individualized written feedback on taper, margins, and occlusal reduction
